**POWER  
of  
Commitment**  
Illinois Division

The Illinois Division believes that one of the most important tasks for the Division is to promote leadership skills and chapter development.

Attendees of this Leadership Workshop will create Chapter accounts for Facebook as well as LinkedIn that will assist Chapters in getting more exposure. This will be a unique hands-on experience.

Please note that we only have 20 computers available for this program. The facility **does** have wireless internet, so if you would like to bring your personal laptop, please do so.

The afternoon session will include many interactive leadership activities which will assist your chapter in leadership succession.

Please note that you need not be a chapter officer to attend.

A continental breakfast will be provided along with a boxed lunch. The lunch includes a deli sandwich (choice of turkey, cold chicken breast, ham, roast beef, vegetarian or cheese), bagged chips, side salad (potato salad, pasta salad, fresh fruit salad or carrots & celery w/ranch), choice of dessert (cookie, individual pie or dessert bar) and beverages.

Please join us as we show you why the Illinois Division has the “Power of Commitment.”
